

The National Certified Public Manager® Consortium needs your help!

Dear CPM Graduates and Students,

The CPM Consortium needs a new logo that is modern, global, and distinctive. This national design contest has been launched to gather proposals for a new Consortium logo. We are sure that somewhere out there is a talented public manager willing to supply us with a logo design that will be easily recognizable as the National CPM Consortium.

- Who: Any CPM Graduate or CPM Student is eligible to submit a logo design
- What: Initial logo submission should be in .jpg or .gif format and not exceed 2 mb
- Where: Send submission along with your contact information to cpmcommunications@gmail.com
- When: Submission deadline is February 12, 2010
- Prize: Winning designer will receive a free registration to the 2010 AACPM Conference in Oklahoma City, Oklahoma, acknowledgement at the conference, and plenty of bragging rights!

The winning design must allow for enlarging and reducing to various sizes without distorting the logo and must be compatible for use with MS Professional XP, MSWORD and MS PUBLISHER.

The Consortium has the right to modify the design and all submissions become the property of the Consortium. The winning design must be eligible for copyright by the National CPM Consortium and for the sole use of the Consortium.

For more information regarding the National CPM Consortium go to <http://www.cpmconsortium.org>
